

Listen to the song and complete the lyrics

MANDELA (Jahgun & Gerson da Conceição)

Free as a bird! Yeah!
Free as a bird! Yeah!
Got to live another day
Got to see oh what you see, Lord

And be thankful every day
'Cause I got to straight my _____
I've been walking down the streets
Observing the sufferation
If you know just what I mean
You should never _____ it _____.

I wish things could get better
We should live in harmony
I'll be wiping tears of your eyes
If I see you crying again
The love you could give to your brother is another way to _____
And we get to _____ of each other
And that is the way it should be

Love is being free like Mandela
Oh, my...! Oh, my...! Can't you see?
Oh, my...! Oh, my...! Can't you see?

Got to live another day
Got to see oh what you see, Lord
And be thankful every day
'Cause I got to straight my life

I wish things could get better
We should live in harmony
I'll be wiping tears of your eyes
If I see you crying again
The love you could give to your brother is another way to see
And we get to take care of each other
And that is the way it should be

Love is being free like Mandela
Oh, my...! Oh, my...! Can't you see?
Oh, my...! Oh, my...! Can't you see?

Free as a bird! Yeah!

Love is being free like Mandela
Love is being free like Mandela
Love is being free like Mandela
Love is being free like Mandela
