Left for Dead

Joe Simpson and Simon Yates were climbing down a mountain in the Andes when trouble struck. Simpson slipped and _____ his leg. Then, while Yates was trying to lower him down the mountain on the end of a rope, Simpson went over a cliff and totally _____. Yates couldn't see or hear him, but he held on tightly hoping that Simpson was still alive.

After some time, believing that Simpson had _____, Yates cut the rope and climbed down the mountain. When the rope was cut, Simpson, who was actually still alive, fell and slid down to the bottom of the mountain. He then spent three days without food or water moving slowly across rocky ground towards the camp. He never _____ up.

Incredibly, in the middle of the night, he arrived at the camp. Luckily, Yates found him. Later, Simpson wrote a book about how he _____ on his own, and how he had _____ with the terrible thirst, hunger and pain.
