SECTION E. READING COMPREHENSION

PART 1. Read the following text then choose the best option to the questions given:

There are many valuable things in life, but friendship may be one of the most important. Life without the experience of friendship is life without living. Human interaction is a necessity for survival, but friendship is an essential for the successful well-being of anyone.

Friendship is a relationship which takes time to build. One can think building a friendship is like planting a garden. Firstly, one meets a person and plants the seed of friendship. Then the friendship develops and continues to grow stronger. It requires devotion of time and patience to achieve a true friendship just like a garden that needs to be taken care of and watered daily to grow. However, a garden may someday become withered and die. Thus, one has to attend to it and has the patience to bring it back to life. Friendship also has its good and bad time. There comes a time when the relationship is just not working. To keep friendship lasting, one needs to have willingness and constancy to establish it.

A person who builds a friendship like planting a garden can overcome obstacles very easily. Friendship and planting a garden can both be considered as "give-and-take". The more effort and persistence are put into them, the more everlasting happiness can be accomplished.

31. According to the first paragraph, friendship _____.

A. brings you experiences in life C. makes our life worth living
B. will develop if you are successful in life D. is the most valuable thing in life
