A Trip to the Park

Don and his friend Bob went on a trip to the park. It was a breezy day, so it was not too hot. The boys saw a huge frog. It hopped over a rock in the sand box. "We'd better move to another spot," one boy said to the other. "Let's jog over to the swings, then to the slide. Last, we'll make a stop by the seesaw." Up and down and all around, the boys had lots of fun. They couldn't wait to go back on another play date.
