Unit1: Life in the city – Writing an article describing a place

Assessment (1)

❖ Read the article and link the ideas with the correct paragraph:

What are the changes we did?

What is the time and place?

What are your feelings about the place?

What is the problem of the place?

What is the activity we do after the changes?

Paragraph (1)

Last summer, I went to my uncle chalet and I saw his dull and unpleasant-looking playground. I felt so sad because the place was beautiful before so, I decided to help him and bought some swings and a slide with a big kids' house.

Paragraph (2)

Now, it's an eye-catching playground with a beautiful swing, slide, kids house and we can enjoy watching the kids play there. I really feel satisfied with the changes and my uncle too.
