rubbish out? 9) How long does she spend on the exercise bike? 10)Why does she do daily exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
9) How long does she spend on the exercise bike? 10)Why does she do daily exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
spend on the exercise bike? 10)Why does she do daily exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
bike? 10)Why does she do daily exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
10)Why does she do daily exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
exercise? 11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
11) Why does she send some emails to her family and friends on Earth? 12)How does she sleep in
some emails to her family and friends on Earth? 12)How does she sleep in
and friends on Earth? 12)How does she sleep in
12)How does she sleep in
the space?
the space.
13)What is an astronaut?

iestions.
Serena Hughes
Because it uses too
much water and she
won't have enough to
drink.
International Space
Station
Because there is no
gravity in space.
8.00 a.m.
1.00 p.m.
Because to avoid her
body from becoming
weak.
She loads it into a
spacecraft, then the
spacecraft take it
down to Earth.
Half an hour
Because she does not
want her family and
friends worry about
her.
A person who is
trained to travel in a
spacecraft.
She gets into her
sleeping bag and lies
down in her little
cabin.
