THE PARTS OF YOU AND ME
(children's body parts song)

I see, see, with my _____
I _____, hear, with my ears
I smell, smell, with my _____
'Cause that's how the body goes
I eat, eat, with my _____
I chew, chew, with my _____
I taste, taste, with my tongue
And that's just a lot of fun
Do do do do do Do do do do do
These are the parts of you and _____
I clap, clap, with _____ hands
I snap, snap, with my fingers
I _____, tap, with my feet
And try hard to keep the beat
I _____, walk, with my legs
I lift, lift, with my arms
I bend, bend, with my knees
And touch the ground if I please
Do do do do do Do do do do do
These are the parts of you and me
And with my elbows, I _____ bend my arms
And if I bend my arms, I can touch my head
I think, think, with my _____
I feel, feel, with my whole body
I wish, wish, with all my heart
That you would sing along from the start
That you would sing along from the start
Let's take it again from the start!
