FORM 2 MODULE
Unit 6 - Cumulative Grammar P.55

Name:..... Class: 2 .....

Instruction: Read and understand the text. Then, choose the correct answers.

Students jumping on a trampoline to collect money for a holiday to Borneo.

These students from a school in England (1) **aren't** / **isn't** just having fun. They (2) **collect** / **'re collecting** money for a school holiday to a tropical island! The teenagers (3) **are going to** / **will** visit Borneo, one of the (4) **larger** / **largest** islands in the world, next summer. However, they will only be able to go if they (5) **collect** / **will collect** the money themselves.

They would like (6) **collect** / **to collect** £4,000 to pay for flights and accommodation. So they decided to have a 24-hour trampoline marathon: they (7) **took** / **taken** turns to jump on trampolines for 24 hours! (8) **His** / **Their** friends and family gave them money if they finished their turn. At the end of the marathon, the students collected £3,500.

Stuart Cole, their teacher, said: 'The trampoline marathon was good preparation for the holiday. When the students are in Borneo, they (9) **do** / **will do** a lot of walking in the jungle, so they will need to be fit!'

He added: 'The marathon also gave them (10) **any** / **some** important experience of working together as a group.

'The holiday (11) **isn't going** / **aren't going** to be (12) **easy** / **easily**, but it's going to be great fun!'
