Write a short description of your job in 5-7 sentences using the information from above.

For example: I would like to be a health care aide because I am interested in helping people. I like to work with seniors or sick people. Health care aide has to help seniors dress, bathe and eat. I have good people's skills, and you need to be good at working with people for this job. I would need Health Care Aide training and First Aid Certificate for this job.
