The word jeans comes from	m a kind of material that was
in Europe.	The material, called jean, was
	sailors from Genoa in Italy, because
they wore clothes made fr	om it. In the 18th century jean cloth was
made from	cotton and workers at that time loved
wearing it because the ma	terial was very strong and it did not
out easily. In the	1960s, many university and college
wore jeans.	Designers made different styles of jeans
to match the 1960s' fashio	ons: jeans, painted jeans and
	and more people started wearing jeans
because they became	In the 1980s jeans finally
became high	clothing, when famous designers started
making their own styles of	f jeans, with their own on
	s went up and up. But in the 1990s the
worldwide economic	got worse, and the sale of
jeans stopped growing. He	owever, jeans have never been
, and tod	ay- young generation is still fond of
wearing them.
