3 **Complete the text with the correct form of the verbs in brackets.**

Interview advice

If you want to earn money, you [1] _____ (need) a job! And if you need a job, you [2] _____ (have to) apply for one. If you [3] _____ (apply) for one, you might get an interview. Interviews can be difficult, but if you are prepared, you [4] _____ (not have) any problem showing the interviewer that you are the right person for the job. If you [5] _____ (be) interested, read these helpful hints and tips:

1 When you [6] _____ (want) to get better at something, you practise. If I were applying for a job, I [7] _____ (practise) answering interview questions long before I went to the actual interview.

2 If your interviewer asked you what you knew about the company, [8] _____ (you be) ready? If I [9] _____ (be) you, I'd do my research, and have a list of questions prepared to ask them too. If you [10] _____ (do), it will show that you're truly interested in getting the job.

3 If you [11] _____ (walk) into an interview wearing casual clothes and your interviewer was in a smart suit, you'd feel silly ... and you probably wouldn't get the job. Always dress for success! If you look successful, you [12] _____ (have) a better chance of being hired.
