2. b. Put the conversation in order.

Jody:

Well, I want to see this film! I'm reading the book at the moment and it's so sad and romantic!

What about *Jane Eyre*?

I've got an idea. Jody and I can watch *Jane Eyre* and you and Carlos can watch *Zookeeper*.

Nadia:

But that's a historical film and you never watch historical films.

Jody:

Great! I'm in!

Nadia:

Hi, Jody, that's a good idea. Are there any good films on?

Jody:

Hi, Nadia, Hi, Zak. Why don't we go to the cinema?

Nadia:

No, thanks! I don't like comedies ... They're stupid. I like romantic films.

Zak:

No way! I think historical films are silly, and Carlos hates them too. Let's watch a comedy. What about *Zookeeper*?

Jody:

Great! I love historical films. What about you, Zak?

Nadia:

Zak:
