1 What's Kinah's favourite animal? Listen and read.

English

My favourite animal

Malayan tigers live in forests in Malaysia and parts of Thailand. They are orange with black stripes. Malayan tigers are smaller than many other tigers, but they are very strong. Malayan tigers are very good hunters. They hunt and eat large animals like monkeys, deer or goats. They can even eat small elephants. Malayan tigers like to swim and play in rivers and lakes. I like Malayan tigers because they are very strong and beautiful animals.
