

SUCESIONES NUMÉRICAS CON MULTIPLICACIÓN

I. Descubre la regla de formación y completa las sucesiones numéricas:

II. Observa y completa:

X	0	1	2	3	4	5	6	7	8	9	10	11	12	13
3														
4			8											
5														
6					30									
7														
8														
9														

III. Busca el camino a la meta y colorea cada paso que des.

a) Inicia en 2 y multiplica por 2 cada vez.

b) Inicia en 1 y multiplica por 3 cada vez.

IV. Demuestra tu creatividad inventando dos sucesiones numéricas.

La regla de formación es: _____

La regla de formación es: _____
