Part 7 Reading Comprehension

Questions 19–23 refer to the following two e-mail messages.

To: Amelia Waddell
From: Peter Simpkins
Subject: Investment

Hi Amelia,

I wondered if you would give me the name of your investment advisor. My business is doing very well this year. In fact, I am now making a lot more money than I did when I had a job with a salary. I would prefer to invest my profits in the stock market as I'm sure I would earn more money that way than just letting it earn interest in a bank account. Of course, I want to invest wisely, so I am looking for professional advice. You know I tend to have a conservative attitude toward money, and I hope your advisor can help me make some safe investments. Please get back to me soon as I'd like to get started on this before the end of the month. Thanks.

Peter

Hi Peter,

I would be happy to help you out. As a matter of fact, I just talked with my investment advisor this morning, and she mentioned that she is looking for more clients. Her name is Susannah Oliveros. I have been working with her for several years and have always been satisfied. I have gotten good returns on the investments I have made with her. I will call you this afternoon, and we can discuss all the details then. I will also give you her phone number so you can call her tomorrow. I know you will like her.
