

# Simple Predicate

## RULES

The simple predicate is the main word in the complete predicate.

We visited the Colorado and Mojave Deserts.

As you know, a sentence has two parts—a subject and a predicate. The complete predicate is all the words in the predicate part of a sentence. The simple predicate tells exactly what the subject does or is. The simple predicate in each sentence below is underlined.

### Complete Subject

Both deserts

### Complete Predicate

lie in southern California.  
noticed many animals in the desert.

## Guided Practice

The complete predicate in each sentence is underlined. Name the simple predicate.

**EXAMPLE:** The desert contains a lot of wildlife.

*simple predicate: contains*

1. We saw two coyotes during a field trip.
