Audio

PBD Listening

A. Listen to the audio and fill in the blanks.

Azlin: Puan Ruby, I gave a light tap on _____ **(1)** just now but it didn't 'orbit' the glass. I wonder what went wrong.

Puan Ruby: How did you tap the washer? Maybe the _____ **(2)** was wrong.

Azlin: I tapped it straight and _____ **(3)**.

Puan Ruby: Try to _____ **(4)**. Do it gently and quickly.

Azlin: OK. Let me try again. Oops! I can't do it.

Puan Ruby: You have used _____ **(5)**. That's why the washer hit the glass. Try again, Azlin. Tap it gently sideways.

Azlin: Yes, I did it!

Puan Ruby: _____ **(6)**, Azlin!

B. Listen to the audio and circle the correct answers. **DSKP:** LS1.1.2, LS1.1.4

1 The dialogue is between
A two students.
B a teacher and a student.

2 Azlin could not get the washer to 'orbit' the glass probably because
A the direction of the launch was wrong.
B the glass was not in the right position.

3 Azlin should tap the washer
A straight and away from the glass.
B sideways.

4 Azlin could not get the washer to 'orbit' the glass during her second try because she
A did not tap the washer.
B used too much force.

5 Azlin was finally successful when
A the washer hit the glass.
B she used the right amount of force.
