## **The Sanders Sisters Song: Hocus Pocus**

**Kidnap all the Children?**

**I wanna do it**

**Let's draw straws**

**Sisters we should \_\_\_\_\_**

**Three of a kind**

**Birds of a feather**

**\_\_\_\_\_ and \_\_\_\_\_**

**Wheeee**

**La, la, la, la, la, la**

**la, la, la, la, la,**

**La, la, la, la, la, la**

**la, la, la, la, la,**

**\_\_\_\_\_ the Children, lock them up real tight**

**Throw away the key and then**

**\_\_\_\_\_ all the lights**

**First, we're going to set some bait**

**Inside a nasty trap and wait**

**When they come a-sneaking we will**

**Snap the trap and close the gate**

**Wait! I've got a \_\_\_\_\_**

**To catch these bratty children clan**

**Let's pop them in a \_\_\_\_\_**

**And when we're done we'll butter them up**

**Kidnap the Children**

**\_\_\_\_\_ a box**

**Bury them for ninety years**

**Then see \_\_\_\_\_**

Then Winnie's...

Boooooooooook!

Can make the whole \_\_\_\_\_ work again

We'll be so pleased, we do declare

That \_\_\_\_\_ and fair

Wheeee!

I say that we take a cannon

Aim it at their door and then

\_\_\_\_\_ and when they answer

Little brats will be no more

You're so stupid, think now

If we blow them up to smithereens

We may lose some pieces

And then what about my recipe?!

Kidnap your Children

Come now don't be blue

Dance, dance until \_\_\_\_\_

I put a \_\_\_\_\_ on you

Because Sanderson Sisters are the meanest gals around

If you \_\_\_\_\_ on our naughty list, I'd \_\_\_\_\_ of town

We'll be so pleased by our success

We'll \_\_\_\_\_ too, I'll bet

Perhaps I'll make my Mother's brew

Of snake and spider stew

Mother!

We're the Salem Witches

and we take our job with pride

Do your best to please us

And stay on our good side

I wish my sisters weren't so dumb

I'm not the dumb one

Amuck! Amuck!

Shut Up!

**Sorry**

**I've got something, listen now  
This one is real good, you'll see  
They have my book \_\_\_\_\_ their doors  
Upon this night, they'll want to read  
Now, in the bed we'll wait and \_\_\_\_\_  
Until their curiosity**

**Entices them to look inside  
And then we'll have them  
One, two, three**

**Kidnap the Children, take them in the night  
Swiftly before \_\_\_\_\_ to suck away their lives**

**Kidnap the Children, we'll take thee away  
Sarah, Mary, Winnie say the time has come to play  
Kidnap the Children**

**Come now we shall \_\_\_\_\_!  
Use thy voice to fill the \_\_\_\_\_!  
And bring the brats to \_\_\_\_\_!  
Ha,ha,ha,ha!**
