Section B

There is one incorrectly spelt word in each line.
Write the correctly spelt word in the box provided for each line.

Passage A

When booking a vacation, an option is to stay in your own contry.	
That helps the local businness community as it provides income for	
Local hotels instead of money going to foriegn companies. There	
are many intresting places to visit and enjoy right at home.	
You get the chance to expirence the true beauty of your own	
lands and visit facsinating sites and attractions.	

Passage B

The bumblebee has been put on the list of indangered animals.	
These tiny craetures play a big role in our environment. Bees	
are responsable for spreading pollen grains from plant to plant.	
This includes wild plants and farmed crops that pruvide us with	
food.Without bees mankind will go hungary. millions of bees	
are killed each week by harmful chimecals used by farmers
