15.	

Section B

There is one incorrectly spelt word in each line.

Write the correctly spelt word in the box provided for each line.

Passage A

When booking a vacation, an option is to stay in your own country.

That helps the local business community as it provides income for

Local hotels instead of money going to foreign companies. There

are many interesting places to visit and enjoy right at home.

You get the chance to experience the true beauty of your own

lands and visit fascinating sites and attractions.

Passage B

The bumblebee has been put on the list of endangered animals.

These tiny creatures play a big role in our environment. Bees

are responsible for spreading pollen grains from plant to plant.

This includes wild plants and farmed crops that provide us with

food. Without bees mankind will go hungry. millions of bees

are killed each week by harmful chemicals used by farmers
