'Shrek the third' is a very funny 1\_\_\_\_\_ movie for all the family. The 2\_\_\_\_\_ is about an ogre called 'Shrek' and his princess, Fiona. Shrek doesn't want to be king so he decides to find Fiona's lost 3\_\_\_\_\_ and ask him to be king. Unfortunately, while he is away, Prince Charming takes control of the land. Most of the movie is 4\_\_\_\_\_ in the land of 'Far Far Away'. It is a funny place with lots of characters of fairy tales. My favorite 5\_\_\_\_\_ is when Shrek and Fiona become King and Queen. They need to wear very formal 6\_\_\_\_\_ and they look very silly. Mike Meyers and Cameron Dias are the voices of Shrek and Princess Fiona. Both the actors are 7\_\_\_\_\_. This is a great movie. I give it 8\_\_\_\_\_.
