- d Mum spends all her time at home.

2 ★★★ Complete the text with the words in the list.

loads | number | plenty | most | majority  
deal | few | almost | hardly | all of | several

I love the street where we live. There are <sup>0</sup> loads of houses and the vast <sup>1</sup> have families living in them. That means there are always <sup>2</sup> of children to play with. There are <sup>3</sup> kids from my class at school and <sup>4</sup> us love football so <sup>5</sup> days you'll find us playing football in the park at the end of the street. The park is great and I spend <sup>6</sup> all of my time there. Of course, there are a small <sup>7</sup> of mean kids who hang out there but they don't usually bother us. At the other end of the road there are a <sup>8</sup> shops where I spend a good <sup>9</sup> of my pocket money on sweets. By Friday evening I've got <sup>10</sup> any pocket money left!

3 ★★★ Circle the correct option.

- 1 My cousin's crazy about cars. He's got loads of / hardly any / a few books on them.
- 2 There's no need to hurry. We've got several / plenty / the vast majority of time.
- 3 Hardly any / Several / Good deal of the public trust politicians.
- 4 Let Phil pay. He's got most / loads / all of money.
- 5 The vast majority / good deal / most of children at our school speak two languages.
- 6 All / A few / Several of my cousins went to university so of course, Mum and Dad expect me to go too.

4 ★★★ Choose quantifiers and complete the sentences so they are true for you.
