MY FAVOURITE INVENTION

Hello! I'm Karina Fernández Condorena and I am from Puno. My favorite invention is actually a structure. It is the Fitotoldo of my community.

A Fitotoldo is a type of greenhouse. I like it because we can grow vegetables in it. I love watering the vegetables. My brother, my sister and I like eating vegetables too. The Fitotoldo in my community is really big. It is great.

Hi! My name is Wilson Pérez Reto and I am from Moyobamba. My favorite invention is a technological device.

It is my portable radio. I like it because I can listen to my favorite music and the Aprendo en Casa programme. I can take it everywhere I go. It is old, but it is really fantastic.
