Complete the blog with the present perfect form of the words in brackets.

Yesterday, I had a very interesting talk with my grandfather. He (17) (have) a very interesting life.

He (18) (go) to all of the continents except Antarctica.

He and my grandma (19) (visit) some amazing places. Grandma says that Iceland is the

most interesting country she (20) (ever / see). They often go back there because they (21) (make) some very good friends there. Their friends (22) (often / come)

to this country, too, and (23) (tell) me a lot about their country.

My grandpa (24) (write) a book about their travels. I (25) (not read) it yet, but

I am going to take it on holiday and read it then.
