Parts of our body

Name: _____

Date: _____

Grade: _____

1) We are going to play a game it is called "Simon says", the part of the body that Simon says we have to touch that part and we are going to use the following pictures to know what parts we can use for this activity.

2) Now we are going to repeat the same game but this time we will not use the picture, here we will improve our memory, this time Simon will say the part of the body and you have to touch it, because Simon will not show it to you.
