

Write an essay giving solutions to problems

**„Psychological health of the students has decreased after the pandemic and after learning online“.** What are the solutions to this problem? What should be done about it? Write a 180-200 word essay giving solutions to the problem.

Plan:

1. Introduce the topic. Thesis sentence.
2. 1st solution/ explanation/expected result
3. 2nd solution/ explanation/expected result
4. Conclusion. In other words. Your opinion.
