

Write an essay giving solutions to problems

„Psychological health of the students has decreased after the pandemic and after learning online“. What are the solutions to this problem? What should be done about it? Write a 180-200 word essay giving solutions to the problem.

Plan:

1. Introduce the topic. Thesis sentence.
2. 1st solution/ explanation/expected result
3. 2nd solution/ explanation/expected result
4. Conclusion. In other words. Your opinion.
