

**Test
Unit 14-18**

1. Loe läbi jutt Jasonist ja vasta küsimustele eesti keeles. (10 p)

Jason is eleven years old. He lives in London. He is tall and quick. He loves football. He plays football in a team. He is the captain. His team is often the winner.

Jason's dad is a pilot. He flies to Germany, America and a lot of other countries too. Jason's mum is a police officer, so she works long hours. That's why Jason helps a lot at home. He sometimes makes food; his favourite food is lasagne. He also takes the rubbish out and cleans his room. And he makes his bed every day.

Jason likes animals. So, he often goes to the zoo with his friends. His favourite animals are tigers. He thinks they are exciting. He doesn't like snakes. He thinks they are disgusting and horrible.

When Jason can do anything he likes, he reads books and takes photos. He has got a new camera.
