Read the letter and then do the task that follow.

Dear Minh,

I'm writing to tell you a piece of news.
The first term is coming to an end soon and my school is going to have some days off.
On this occasion, my class is visiting some caves near Hanoi as we have recently studied rock formations. Besides, many of us have never been inside a cave, so I suppose the trip will be very interesting.
At first, we wanted to travel to Thay Pagoda because it is only over 20 kilometers away, and we could go on a day excursion.

That's all for now. Give my love to your parents and sister.

Yours,
Lan
