

FOOD CHAINS

1. Label the food chain. *Arrastra cada nombre para decir cómo se llama cada componente de la cadena alimenticia.*

decomposer	consumer (carnivore)	consumer (herbivore)
producer	consumer (carnivore)	

2. Match the words to the descriptions. *Relaciona cada palabra con su descripción.*

Producer

It makes its own food.

Consumer (herbivore)

It breaks down the remains of dead animals and plants

Consumer (carnivore)

It eats plants.

Decomposer

It eats other animals.
