FIRST QUARTER

Name: _____ Group: _____

The use of I and me

- The word I is used in the subject of a sentence.
- The word me is used in the predicate of the sentence.
- Write I or me on the blank line for each sentence.

Example: Nixon and *I* went for a walk.
- The pronoun *I* is used because it falls in the subject of the sentence.

Nixon went on a walk with *me*.
- The pronoun *me* is used because it falls in the predicate of the sentence.
