Tell people in the future f about your life now!

Here's how to make a time capsule. Choose some everyday things, put them in a box and leave them in a secret place for someone in the future to find! The person who finds the box will learn about what life is like now by looking at the things. a plastic bag

You will need:

- five to six things
- paper, a pen and some pencils
- pen 1 Choose five to six things that show what life a box is like now. Avoid things that need electronic equipment to work. Don't forget, CD players and computers will be very different in the
 - 2 Write a letter to the finder of the time capsule.

strong tape

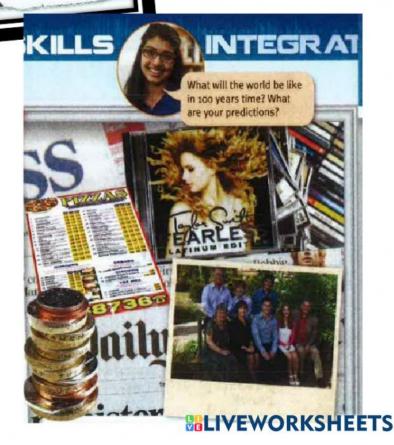

a permanent marker

- 3 Put the things and the letter in a box.
- 4 Put the box in a plastic bag and seal it with
- 5 Write your name, today's date and the date you want the box to be opened on the bag. Use a permanent marker pen so that people will be able to read it in 50 years' time!
 - 6 Make a hole in the garden and bury your time
 - 7 Draw a map to show where your time capsule is. Keep it somewhere safe.
 - 8 Now try to larget about its

INTEGRATED **SKILLS**

Read the information about making time capsule. Look at the picture. Which thing wouldn't you put in the time capsule? Why not?
