Andrew: Do you have any pets?

Benny: No. My mother has a cat. Your dog is well trained.

Benny: How long have you had him?

Andrew: I have had him since he was a puppy and he is four years old now.

Andrew: The shop has reptiles such as snakes, lizards and geckos over there.

Benny: I can hear a lot of birds somewhere.

Andrew: Yes they have canaries and other birds, even a parrot.

Benny: They are all good but I like soft and fluffy animals the best.
