

Mathematics

A) Find the missing length and width given the area of the rectangles

1)

2)

B)

Find the missing base or height of the following triangle – Remember to use the formula

Area	Base	Height
16 mm^2		2mm
36 cm^2	9cm	
77 cm^2	7cm	
140 m^2		20m

C)

Find the missing base or height of the following parallelogram- Remember to use the formula.

Base	Height	Area
	10m	140 m^2
9m		135 m^2
