

No place

come night baby alone Paris New York always there world country
hell place home wherever Rome phone California place Mexico around

I've been to _____, made my way down to _____

Seen the sun setting on the beach in _____

But I could care less, 'cause I was all _____

And there ain't no way to touch your body over the _____

I've been all around the _____, done all there is to do

But you'll always be the _____ I wanna come home to

You're a wild _____ with a hell of a view

There ain't no _____, (x2) like you

There ain't no _____, (x2) like you

You're my daybreak, you're my _____ sun

You're my Memphis, _____, New Orleans all rolled into one

In the city, the _____, the mountains or sea
Wherever you are, _____, that's where I wanna be

I've been all _____ the world, done all there is to do
But you'll _____ be the home I wanna come home to
You're a wild night with a _____ of a view
There ain't no place, (x2) like you
There ain't no place, (x2) like you, no

There ain't no place (No place, no place)
Ooh, yeah, ain't no place
_____ you are, baby, that's where I wanna be

I've been all around the world, done all _____ is to do
But you'll always be the home I wanna _____ home to
You're a wild night with a hell of a view
There ain't no place, (x2) like you
There ain't no place, (x2) like you
Said there ain't no place, ain't no place like you, yeah
There ain't no place (No place, no place)
No place (x5)
