Hi! My name's Giang, and I'm from Ho Chi Minh City. We have two seasons here, dry and rainy. In the dry season, it doesn't rain and the trees turn brown. We go for picnics and play outside because we know we won't get wet. In the rainy season, it rains a lot. The rain comes very fast and people can get very wet. We take raincoats with us when we go out. We don't know when the rain will start. It doesn't last long, and it isn't cold. The weather in Ho Chi Minh City is warm all year round!

Hi! I'm Long, and I'm from Ha Noi. We have four seasons here. In the spring, the trees and plants grow. It's very beautiful and everyone loves to play outside. In the summer, there is a lot of rain, but it's always hot. In the fall, the trees lose their leaves. The weather is very nice, and we go for walks to the park. It's my favorite season of all. The winter is cold. We stay inside and eat hot noodle soup to keep warm.
