We live in a big ____¹. We _____² a lot about
_____³ plants in our _____⁴ class. We even have a

Our _____⁷ are really delicious. We donate the vegetables

It's a really popular ____⁹. We enjoy looking after the
_____¹⁰ and _____¹¹ them grow. But it's very
_____¹² to give what we grow to the children. They tell us
they _____¹³ to eat vegetables now. Hopefully, next year we
can _____¹⁴ even more.
