4 Read and answer. (5 points)

Giraffes live in Africa. They live in big groups. Giraffes are taller than other animals. They can run fast, too! This baby giraffe is two meters tall. It has a long face. Look! It's standing next to its mother. The mother is looking for other animals. Are there any lions? No, there aren't, not today. The mother takes care of the baby. The baby giraffes play together. It's fun to watch.
