### Harry Potter

This series is one of my favourites. The stories are about a boy, Harry Potter, who is a wizard. He goes to a school called Hogwarts to learn magic. He has some friends called Ron and Hermione. Harry is very brave. Ron is sometimes silly, but lucky as well. Hermione is the cleverest. They have different adventures and meet some evil characters. I think the book is interesting because there is a lot of magic in it.

### Charlie and the Chocolate Factory

This is one of my favourite books. The story is about a visit to a chocolate factory. Charlie is lucky and wins a ticket. He visits the chocolate factory with his grandfather and some children. Charlie is very clever. Some children are silly and eat too much chocolate. There are magical people in the factory. Willy Wonka is the most interesting character. I think the book is exciting because there are a lot of surprises.
