Making Punch Worksheet

Carl makes punch using the following recipe:

2 cups Ginger ale to 1 cup Juice 

PART 1: Which is another recipe that would have the same proportion as the one above and so would taste exactly the same?

Remember to multiply both sides by the same number to get a proportional relationship.

☐a. 4 cups Ginger Ale to 2 cups Juice 

or

☐b. 1 cup Ginger Ale to 2 cups Juice 

PART 2: Look at the following recipes. Which pair would taste the same?

☐1. 1 cup Ginger Ale to 1 cup Juice 

2 cups Ginger Ale to 2 cups Juice 

OR

☐2. 3 cups Ginger Ale to 1 cup Juice 

2 cups Ginger Ale to 1 cup Juice
