

PERFECT STRANGERS 'Jonas Blue ft. Jp Cooper'

You were looking at me like you wanted to stay

When I you yesterday

I'm not your time, I'm not playing no

I see you

Who knows the tomorrow will

We don't really

'Cause you're here with me now, I don't want you to go

Maybe we're perfect strangers (x2)

Maybe it's not

Maybe the night will us

Maybe we'll

Maybe we'll

Maybe we'll

We're only

Maybe we don't need no reason

Maybe we don't need no reason

Come on, come on, come

Maybe we don't need no reason

Come on, come on, come

No one but you got me feeling this way

There's so much we can't

Maybe we're helping escape

I'm with you
