

WET WALK

1 The rain fell for three days. It rained cats and dogs. Kelly and Shawn played in the house. They were bored. They wanted to play **outdoors**. Finally the rain stopped and the sun started to **shine**. Kelly and Shawn were very excited. Now they could go outdoors!

2 Kelly and Shawn put on coats and old pants. They put on rubber boots, too. Kelly's were red and Shawn's were blue. They ran out of the house. There were **puddles** all around their house.

3 First they walked carefully around the **edges** of the puddles. Then they walked through the middle of the puddles. The water was not deep. It **waved**. Then Kelly and Shawn started to act silly. Kelly kicked some water with her boot. The water **splashed** on Shawn's pants. Shawn was surprised. He wanted to splash too. He jumped up and **landed** in a puddle.

4 The water splashed onto Kelly. Kelly and Shawn started to laugh. Now they jumped and splashed all through the puddles. Shawn walked into the **middle** of a puddle. The water poured into his boots.

5 Kelly ran to help him. She fell and splashed into the puddle. Kelly and Shawn were all wet. But they laughed.

6 They went back into the house because they were too wet. They felt sad first because they stopped playing. But they felt happy because they had fun. They looked out of the window. There was a rainbow. They wished to have a rainy day again.
