

And I Love Her

sky her love know everything and near like stars never all kiss die brings too long tenderly give
--

I _____ her all my love

That's _____ I do

And if you saw my _____

You'd love her, _____

I love her

She gives me _____

And _____

The _____ my lover brings

She _____ to me

And I love _____

A love _____ ours

Could _____ die

As _____ as I

Have you _____ me

Bright are the _____ that shine

Dark is the _____

I _____ this love of mine

Will never _____

_____ I love her(x2)
