"The Proud Rose"

Once upon a time, there was a rose who was proud of its beauty. The rose had just one disappointment – it was growing next to an ugly cactus. Every day, the rose would insult the cactus on its looks while the cactus stayed quiet. All the other plants in the garden tried to stop the rose from bullying the cactus, but the rose was too swayed by its own beauty to listen.

One summer, the well in the garden grew dry, leaving no water for the plants. The rose slowly began to wilt. The rose saw a sparrow dip its beak into the cactus for some water. The rose felt ashamed for having made fun of the cactus all this time, but because it was in need, it went to ask the cactus if it could have some water. The kind cactus agreed, and they both got through summer as friends.
