

Mama

Spice Girls

Listen to the song and choose the right option:

She used to be my only **enemy/ friend** and never let me be **tree/ free**

Catching me in places that I knew I shouldn't **be/ see**

Every other day I **lost/ crossed** the line I didn't mean to be so **bad/ sad**

I never thought you would become the friend I never **met/ had**

Back then I **didn't/ don't** know why

Why/When you were misunderstood mama

So now I see through your eyes

All that you did **were/ was** love

Mama I love you

Mama I care

Mama I love you

Mama my friend

You're my friend

I didn't want to **hear/ fear** it then but I'm not ashamed to say it now

Every **big/ little** thing you said and did was **bright/ right** for me

I had a **lot/ little** of time to think about, about the way I used to **be/ see**

Never had a sense of my responsibility

Back then I **didn't/ don't** know why

Why/When you were misunderstood

So now I see through your eyes

All that you did **was/were** love

Mama I love you

Mama I care...
