

# The Sick Puppy

By: \_\_\_\_\_ Date: \_\_\_\_\_

You have just brought home a puppy. When you brought it home, you discovered that it's ill. Before you begin writing think about the poor little puppy and how it could have become ill.

*Tell how you got the puppy.  
How the puppy became ill.  
How you cared for it.  
If it got better.  
How you felt.*

*Prompt: Hillsborough County Schools*
