What can I tell you about my home city? First of all, I must mention its 1 *friendly, inhabitants*. Everyone smiles and says hello when you meet them.

Then there's the 2..... which you can get everywhere. It's delicious, and really cheap. Four or five times a year there are 3where people celebrate important events with street parties and other fun events. And if you get fed up with the city, you can get a bus into the countryside, where there are lots of 4.....The hills and mountains there also provide some really 5

It has its bad points as well. It's an 6which means that there is a lot of pollution, and there are also lots of ugly factories everywhere. Most people live in 7..... because houses are too expensive. They work really hard, and they can't afford to enjoy the sort of 8 that many people associate with my country. And it can take ages to walk along the 9in the city centre because there are so many people and so much traffic.
