MI – Media influence

MM – Misinformation and misrepresentation

SS – Stress relief and self-medication

1. Jane wants to learn how to smoke because her celebrity crush smokes too.
2. Second-hand smoke is the more dangerous kind so it is safer to be the first-hand smoker.
3. My mom and dad are smokers and they are healthy; I think I could try smoking too.
4. Angelo drank the bitter alcoholic drink because his friends will get mad at him if he refuses.
5. Mark is struggling to finish his project, so he decided to take a break and drink alcohol to release some stress.
6. Juancho believes in the meme he saw on the Internet that says "Alcohol is actually good for your health."
7. My best friend uses marijuana when he is sad, so I join him because he feels better when we do things together.
8. Anton bought a pack of cigarette so his crush will think he is "macho."
9. Marijuana is organic and not harmful to my health, so it is okay to smoke it.
10. Carlo's parents are not very strict about smoking and drinking; hence, he is not afraid to drink to do these outside of their home.
