## The Nervous System

### Instructions:

Use the diagram to answer questions 4 to 8.

1. The \_\_\_\_\_ is responsible for all the activities of your body.

2. Which are NOT part of the nervous system?

A. brain      B. heart      C. nerves

3. \_\_\_\_\_ receives information from various parts of the body.

4. Which part of the diagram is labeled D?

Nerves      Spinal cord      Brain

Nerve cell      Brain Stem

5. Which part of the diagram is labeled B?

Nerves      Spinal cord      Brain

Nerve cell      Brain Stem

6. Which part of the diagram is labeled A?

Nerves      Spinal cord      Brain

Nerve cell      Brain Stem

7. Which part of the diagram is labeled F?

Nerves	Spinal cord	Brain
Nerve cell	Brain Stem	

8. Which part of the diagram is labeled C?

Nerves	Spinal cord	Brain
Nerve cell	Brain Stem	

**Instructions:** Choose the correct name for the parts of the brain.

**Instructions:** Use the words and drag them to match the parts on the nervous system

**spinal cord**

**nerves**

**brain**
