USAIN'S DAY PLAN

*What is a day like for the fastest man on Earth?
Find everything you need to know in this article.*

In the morning Usain gets up at 10 am. At 10.15 am he has a small³ egg sandwich with two green bananas for breakfast. When he finishes, he goes to the gym at 11 o'clock and then he relaxes a bit.

At 1pm he has lunch. He usually has pasta, beef or fish because he needs to have a lot of energy. Then, he does track exercises in a club in the afternoon to train his speed.

In the evening, he has a shower at 6 pm and later he has dinner. For dinner he usually has vegetables, rice, pork or chicken. It's a large dinner!

At 8 o'clock he spends time with his friends. He plays video games like Call of Duty with his friends or they go out together.
